"GETTING INTO CONDITION:" TAKEN FROM "YOUNG CORBETT'S" STRENUOUS LIFE, BY ARTIST VOIGHT.

CLARENCE FORBES
PUT OUT AGAIN

"Brooklyn Tommy" Sullivan Landed Blow on Chicagoan in Fifth Round of Bout at Omaha.

AUSTIN RICE WINS
BOUNT ON POINTS

Veteran's Experience in Fifteen-Round Contest with Billy Ryan at Westfield Aided Him Materially.

(Special to The Evening World.)
OMAHA, Neb., Oct. 8.—An indifferent crowd witnessed the feather-weight bout between "Brooklyn Tommy" Sullivan, of St. Louis, and Clarence Forbes, of Chicago, last night. The contest was well fought and evenly matched, and up to the fifth round made a shining fight, and bad in that the end came unexpectedly and in a prosaic manner.
Both men came out strong and confident for the fifth round. In a rally Sullivan drove the Chicago boy through the ropes. Forbes went over backward and was hung by his legs. A spectator jumped him up. He was in the act of rising when Sullivan caught him on the point of the chin with his fist, knocking him out. Before Loch could give him the belt, a foul, Loch refused. He said that while the blow might have looked questionable to many, there was nothing improper about it. Forbes was on his feet, but not erect, when hit.

(Special to The Evening World.)
WESTFIELD, Mass., Oct. 8.—Austin Rice, of New London, and Billy Ryan, of Boston, battled for fifteen rounds last night under the auspices of the Westfield Athletic Association. Rice was given the decision on points.
Both men received terrible punishment. Rice's experience was decidedly to his advantage. During the early part of the fight it appeared that Ryan would not last the fifteen rounds. He, however, stood and fought strong.
Ryan forced the action in the first two rounds. The third round found him nearly exhausted. The referee's announcement that the decision was awarded to Rice on points was received with mingled cheers, groans and hisses.

BUSY DAYS FOR FIGHTERS.

FITZ READY TO MOVE.

Bob Fitzsimmons intends starting for San Francisco, with two weeks to prepare for his battle with George Gardner, which is to be decided on the Coast in November. Both men will visit their friends for the next few days.

FOR HUGHEY MCGOVERN.

Tommy Murphy, the clever bantam-weight fighter, of the city, who defeated Joe Cohen, the English fighter, a week ago in six rounds, would like to meet Hughey McGovern or Danny Dougherty before one of the clubs in Philadelphia for six rounds at its pounds. Murphy has fought three battles and has never been defeated.

SANTRY'S TWO FIGHTS.

Eddie Santry, the Chicago feather-weight, has two hard battles on hand. On Oct. 10 Santry will meet Jack Dougherty in a ten-round bout at Milwaukee, and on Oct. 21 he will tackle Aurelia Herrera, the Mexican feather-weight, at Anacostia, Mon.

SULLIVANS GET BUSY.

Mike ("Twin") Sullivan, the Boston middle-weight, and his brother Jack, the welter-weight champion of New England, have been matched to meet two colored men in six round bouts in Philadelphia. Mike will tackle George Cole, the middle-weight, while Jack will take on Dave Holly.

JOCKEY REIFF MAY
BE REINSTATED

CHICAGO, Oct. 8.—The chances for Jockey Reiff's reinstatement to the French tracks are very bright just now. The boy received two offers from French trainers to ride in France next year, and he has accepted one. The offers are taken as proof that the boy is a genuine horseman. Reiff is anxious to go abroad again, as he has received the money not yet received on his previous tour.

HENO LAME NOW,
MAY BE RETIRED

Heno, the good four-year-old of W. S. Fanshawe's stable, is the latest horse to go wrong. He has been counted on as a probable candidate for the Brighton Cup, but he has gone lame and had to be withdrawn from the race. So severe is Heno's injury that he has practically broken down and will probably not face the starter again.

TWO GAMES ON SUNDAY.

While "Kid" Carney and his "Mets" are playing at Carney's new grounds, Ninety-first street and Avenue A, Sunday, the Wade A. A. and the Moroccos will play at Equitable Park. Sixty-seventh street and West End avenue, for the championship of the west side.

"YOUNG CORBETT'S" training stunts at Johnson's road-house are done with a two-fold object. In the first place, the feather-weight champion has a little engagement with "Kid" Stein in the arena of the National Athletic Club in Philadelphia Saturday night and is anxious to give the ambitious "Kid" the reception his renown demands. This engagement is for six rounds, but it may be it will not go that far. In the second place—and this is the chief reason for "Young

Corbett's" strenuous life in the Bronx hills—the Denver fighter has contracted to meet one Mr. Tim Callahan before the National A. C. on Oct. 21 and has agreed to administer the sleeping portion before the end of the sixth round. To be able to do this "Young Corbett" or any other fighter must be in the best of physical condition, and that is why Artist Voight found McGovern's conqueror leading the life of a Rocky Mountain goat.

FOOTBALL TEAMS RESUME PRACTICE TO-DAY.

COLUMBIA'S NEXT
WILL BE WILLIAMS

Columbia will line up against Williams at the Polo Grounds on Saturday afternoon. It will mark the beginning of Columbia's series with the bigger colleges, and the games will give the first opportunity for a correct line on the ability of the Blue and White. Williams has never failed in recent years to turn out a very strong eleven.

MAY LOSE PUTTMANN.

"Lanky" Puttmann, who did good work for the Highlanders during the last part of the season, will likely not pitch for the team next year. The Spokane Club of the Pacific National League says it has a claim on the player's services.

PRINCETON'S GAME
AN IMPROVEMENT

(Special to The Evening World.)
PRINCETON, N. J., Oct. 8.—That the "varsity" defense and attack have improved was a self-evident fact in yesterday's game with Gettysburg. Not once during the whole game was their opponents succeed in holding the tigers for downs, and the fierce, hard plunges of the backs, notwithstanding the slippery condition of the field, were irresistible and made the Gettysburg team look like the representatives of a "prayer" school.

Keith, the little scrub quarter who was tried on the "varsity" at half back the day before the game, was put in for the second half and made a brilliant showing running with the ball. Vetterline also deserves great credit. In fact, the whole team deserves credit for the game it played.

LITTLE MORE HOPE
FOR HARVARD TEAM

CAMBRIDGE, Mass., Oct. 8.—Harvard coaches were somewhat pleased after the game with Bates, which the crimson wearers won by a score of 23 to 0. The team was afforded the opportunity to practice its new play of placing the ends between the tackle and guards of the offense. One fault was found with it, and that was that the opposing tackle does not always spread out and the light Harvard end is up against a big man.

ALL-AMERICANS TO PLAY.
Next Sunday morning at the Skelly grounds the All-Americans will play the second game of baseball with the Brightons, champions of Brooklyn. On the previous occasion the Brightons won by the score of 2 to 1.

YALE'S FOLLOWERS
NOT MOURNING

NEW HAVEN, Oct. 8.—Yale has no mourning to wear for its football team. She is perfectly satisfied with the candidates, and already the wearers of the blue are counting on the winning of the championship again this year. Yale has a big squad of men to draw from, as was evidenced in yesterday's game with Wesleyan. In that contest twenty-three men were used, more than enough to form two teams. Every man put up a superb game, and the only thing the coaches are worrying about is the final make-up of the team for the big games.

BERNSTEIN'S LEFT
QUIETS MURRETTO

Lads Met in Private in a Loft in Mount Vernon and the Bowery Pride Scored a Knockout in the Eleventh.

Joe Bernstein, the clever and aggressive feather-weight boxer of this city, met Jack Murretto, a local fighter, in a private bout last night and knocked him out in the eleventh round.

The men fought for a percentage of the gate receipts, of which Bernstein received about \$75 for his trouble of beating his opponent. About 100 sporting men paid \$1 each to see the fight, and they were treated to a fast and interesting battle.

The mill was brought off at Mount Vernon.
For the first four rounds Murretto made a very good showing, landing hard and often on Bernstein's face at close quarters. Bernstein became tired as a result of this fusillade of blows, but managed to get his wind when the fifth round started.

After that Bernstein punished Murretto severely about the face and jaw, and in the eleventh round finally put his man out with a short left swing on the jaw. George Betts, the East-Side boxer, was the referee.

OLYMPIA FIELD GAMES.

Before the Murray Hills and Philadelphia Giants meet in their last game of the season at Olympia Field, One Hundred and Thirty-fifth street and Lenox avenue, on Sunday, the fanthe Wheelmen and the Calumets will meet in a contest. That game will begin at 1 o'clock and the big game directly afterward.

HIGHBALL WOULD
RACE DICK WELLES

Two-Year-Old's Owner Suggests Weight for Age Match with Western Champion for \$25,000 Side Bet.

A match race which would attract thousands from any city in which the contest is held is suggested by W. M. Schefel, owner of Highball, the champion two-year-old. He says he is willing to pit the horse against Dick Welles, the Western champion three-year-old at a mile, for a side bet of \$25,000. All he asks is that each horse carry weight for age.

MERCURY
A POOR CRUTCH.

Experience is a dear teacher, as those who pin their faith to Mercury find out sooner or later. The powerful poison combined with Potash, is the treatment generally prescribed for Contagious Blood Poison, but failure and disappointment is the invariable result. These minerals drive in the sores and eruptions, and apparently the disease is gone and the patient believes the cure permanent, but soon learns better when the old symptoms return almost as soon as the treatment is left off. You must either keep the system saturated with mercury or endure the tortures of sore mouth, ulcerated throat and the mortification that one naturally feels when the body is covered with disgusting sores, rashes, copper-colored spots and other aggravating symptoms of this vile disease.

Mercury and Potash are poor crutches, and their use eventually breaks down the constitution, ruins the digestion and causes the bones to decay. S. S. S., a guaranteed, purely vegetable remedy, is the only antidote for Contagious Blood Poison. It destroys every atom of the deadly virus, overcomes the bad effects of the mercury and cleanses the blood and system so thoroughly that never after are any signs of the disease seen. Nor is the taint ever transmitted to others. We will send free our book on Contagious Blood Poison, which is interesting and contains full directions for treating yourself at home. Medical advice or any special information desired given without charge.
